Hostess to Acorn Club.
Mrs. W. A. Fraser entertained the Acorn club members, Mrs. Ned Miller of Arkansas City, Kan., and Mrs. L. G. Niblack at a one o'clock buffet luncheon yesterday. Assisting the hostess were Mrs. M. T. Morris, Mrs. A. G. C. Blier and Mrs. J. R. Hamill of Oklahoma City. Honeycuckle, nasturtiums and a profusion of old-fashioned flowers were about the rooms. A cleverly arranged program was brought out in the roll call, for every member had prepared an original paper, read a favorite selection or recited a verse. Mrs. Edward Hilsop read a clever satire on the acorn. Mrs. Hamill's response was an amusing stunt and Mrs. Hilsop gave a very pretty toast to the hostess. Mrs. H. L. Watkins sang several favorite songs and there was also Victrola music during the afternoon. Next Thursday, the 18th, the club will take up the study of New England at the meeting at the library scheduled for the day.

Dancing.
A second of the Dinner Dancing club's delightful affairs was held Thursday with about fifty in attendance. After an elegant six-course dinner, dancing was enjoyed until midnight. Out of town guests included Dr. and Mrs. F. J. Norman of Lenox, Iowa; Miss Helen McElhenney and D. P. Lowery of Oklahoma City, others were Messrs. and Mmes. J. A. McEl.

WOMAN REFUSES OPERATION

Tells How She Was Saved
by Taking Lydia E. Pinkham's Vegetable Compound.

Louisville, Ky.—"I think if more suffering women would take Lydia E. Pinkham's Vegetable Compound they would enjoy better health. I suffered from a female trouble, and the doctors decided I had a tumorous growth and would have to be operated upon, but I refused as I do not believe in operations. I had fainting spells, bloated, and could hardly stand the pain in my left side. My husband insisted that I try Lydia E. Pinkham's Vegetable Compound, and I am so thankful I did, for I am now a well woman. I sleep better, do all my housework and take long walks. I never fail to praise Lydia E. Pinkham's Vegetable Compound for my good health."—Mrs. J. M. Resch, 1900 West Broadway, Louisville, Ky.

Since we guarantee that all testimonials which we publish are genuine, it is not fair to suppose that if Lydia E. Pinkham's Vegetable Compound has the virtue to help these women it will help any other woman who is suffering in a like manner?
If you are ill do not drag along until an operation is necessary, but at once take Lydia E. Pinkham's Vegetable Compound.
Write to Lydia E. Pinkham Medicine Co., (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

CORN LIMBERS! USE "GETS-IT" AND SMILE!

Corns Come Right Off, Clean and Quick! You Needn't Limp, or Fuss With Your Corns Any More!

What's the use of spending a good time for yourself by limping around with corns? It's one of the easiest things in the world, now, to get rid of them. "Gets-It" does it the new way.

"Those Corns Come Right Off, Clean As a Whistle, by Using 'Gets-It'!"

That's why "Gets-It" has become the corn remedy of America, the biggest selling corn remedy in the world, preferred by millions. Do you remember that foot-aching pain you tried that sticky tape, that toe-bundling bandage, the gougings you've done with knives, razors and scissors? Well, now, forget them all. No more fussing, no more pain. Whenever you use simple, easy "Gets-It" the corn is loosened, sure. So is every callus, wart or bunion. Never cut corns or calluses. It makes them grow that much faster and increases the danger of blood poisoning. No cutting is necessary by using "Gets-It." Use it tonight and end your corn existence.

"Gets-It" is sold by all dealers. 25c a bottle, or sent direct by E. Lawrence & Co., Chicago. Sold in Guthrie and recommended as the world's best corn remedy by Little Drug Co., and Owl Drug Store.
